MECATIC[®]
12080

Mecatic . was established by a team of professionals with a solid reputation in the self-service car wash and high-pressure cleaning industry. Our goal is to provide high-quality services to the European and Latin American markets.

Our online service, supported by the ample stock of materials in our warehouses located just a few kilometers from Valencia, allows us to dispatch all our products quickly without relying on intermediary companies. This helps our buyers avoid service issues and extra costs.
